To

Secretary to the Government of His Highness the Maharaja
of Mysore Departments of Education Agriculture &c.

Sir

Y N
I have the honour to inform you that the contingent expenditure of this office has been gradually increasing. The typewriting work has grown very considerably and consequently the consumption of typewriting paper carbon paper and other accessories has increased proportionately. The use of service stamps has also increased on account of remittances of money to places outside Mysore and of foreign communications &c. Government in their order No 6505-6/Edn 228-11-2 of the 9th March 1912 were pleased to raise the contingent grant of this office to Rs 300/- Considering the increasing work of this office in all directions I find that even this increased grant of Rs 300/- is inadequate to meet the present requirements of the office I request therefore that Government may be pleased to raise the grant from Rs 300 to Rs 400 from 1913-14

2. A sum of Rs 342/- has been spent up to date towards the contingent expenditure of this office and a further sum of about Rs 40/- will be required for expenditure up to the end of June 1913 For the current year I request that Government may be pleased to authorize me to meet the excess expenditure over and above Rs 300/- out of the
